AUDIT REPORT TO THE TRUSTEES OF THE GREATERGOOD SOUTH AFRICA TRUST

Report of the independent auditor to the Trustees of The GreaterGood South Africa Trust.

I have audited the annual financial statements set out on pages 3 to 8. These financial statements are the responsibility of the trustees. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted the audit in accordance with generally accepted auditing standards. These standards require that I plan and perform the audit to obtain reasonable assurance that, in all material respects, fair presentation is achieved in the financial statements. An audit includes an evaluation of the appropriateness of the accounting policies, an examination, on a test basis, of evidence supporting the amounts and disclosures included in the financial statements, an assessment of the reasonableness of significant estimates and a consideration of the appropriateness of the overall financial statement presentation. I consider that the audit procedures were appropriate in the circumstances to express my opinion presented below.

In my opinion these financial statements fairly present, in all material respects, the financial position of the trust as at 31 March 2010, and the results of its operations for the period then ended in conformity with generally accepted accounting practice and in the manner required by the Companies Act.
